PRISONERS FOR PALESTINE DEMANDS

End all censorship — to be able to send and receive communications without restriction, surveillance, or interference from the prison administration.

Immediate bail – to be released from custody while awaiting trial

Right to a fair trial – the release of all relevant documents related to their case, including all meetings between British and Israeli state officials, the British police, the attorney general, Elbit Systems representatives, etc.

Deproscribe – the immediate dropping of all terror-related charges and 'links', and an end to the use of the Prevent strategy.

Shut Elbit down – that the government does not use taxpayer's money to fund the machinery of genocide, and scrap the planned £2.7b contract with Elbit
