DAY 55 OF HUNGER STRIKE

HEBA DEMANDS TO BE MOVED BACK TO HMP BRONZEFIELD

Heba is left feeling isolated as she has been moved miles away from her family and community in Brent, London. The journey is too far for her family to make to visit, and visits are rarely approved at HMP New Hall regardless.

HEBA HAS BEEN ISOLATED FROM HER FAMILY FOR MONTHS

Heba was transferred to a prison hundreds of miles away from her family, friends and community.

Her mum is unable to travel the 178 miles from London to Wakefield due to health conditions, and hasn't seen her daughter in over 4 months.

In HMP New Hall, visits are rarely approved - even loved ones that are able to travel haven't been able to visit Heba.

**HEBA HAS BEEN ON REMAND
FOR MORE THAN ONE YEAR,
STILL WITHOUT TRIAL.**
